

September Program Offerings

FCI Monthly Programming

Based on your excellent feedback, the Faculty Center for Innovation (FCI) has taken a flipped approach to its Special Interest Group (SIG) programming this year. Now, there are several ways to engage with the material and one another!

This month we are featuring the SIG of Lacey Finley, exploring **"How to Win Students and Influence Faculty - Communicate with Carnegie SIG"**.

You can participate in her SIG in the following ways based on your preference:

- Watch the [Recorded Video Presentation](#) (10 minutes)
- Engage in Asynchronous Q&A with the Fellow by adding a public comment to the video
- Join the live "Reflect & Respond" session:
Wed., Sept. 23rd (11:30-12pm CST) via Zoom [JOIN HERE](#)
