

SPECIAL ISSUE: SPARK TANK APPLICATIONS

SUBMIT TO SPARK TANK BY APRIL 1ST

For AY 2021-22, the Faculty Center for Innovation is awarding **Spark Tank** grants to academic departments/programs who wish to utilize grant funding on a collaborative project that will enhance teaching and learning on a program level. These grants are intended to fund **departmental transformations** that can have a lasting impact toward innovative teaching and learning; therefore, **grants should be focused on teaching and learning (rather than having an administrative or structural focus)**. Applicants can win up to **\$5,000** to fund their project and transform their program!

Examples of projects might include, but are not limited to:

- Cross departmental collaboration of simulated learning,
- Service learning, or
- Launching a virtual study abroad program

Deadline for submission is 5pm, CST on April 1, 2021. [CLICK HERE](#) to learn more about Spark Tank.
