

## SPECIAL ISSUE: SPARK TANK APPLICATION REMINDER

---

### **SUBMISSIONS FOR SPARK TANK EXTENDED TO APRIL 12TH**

For AY 2021-22, the Faculty Center for Innovation is awarding **Spark Tank** grants to academic departments/programs and campus centers who wish to utilize grant funding on a collaborative project that will enhance teaching and learning on a program level. These grants are intended to fund departmental transformations that can have a lasting impact toward innovative teaching and learning; therefore, **grants should be focused on teaching and learning (rather than having an administrative or structural focus)**. Applicants can win up to **\$5,000** to fund their project and transform their program!

To help get your creative juices flowing, check out innovative teaching and learning examples from POD ([HERE](#)). **Deadline for submission is 5pm, CST on April 12, 2021.** [CLICK HERE](#) to learn more about Spark Tank.
