

## **Guild Constitution**

**Name:** The name of this organization shall be The Guild of Park University

**Statement of purpose:** The purpose of The Guild of Park University is to help students deal with stress, have fun, support other students, and have fun playing/organizing all roleplaying, board, video, and other games on campus.

### **Officers**

The officers required:

- President is responsible for organizing and being the contact person for Student Life, members, etc...
- The Treasurer is the person responsible for the budget.

### Optional Officers

- The Vice-President is responsible if the president is not available
- The Secretary is responsible for attendance, reporting members to Student Life, and Minutes.

### **Elections**

Officer elections are determined by vote each year based on the majority. All candidates must follow Park qualification guidelines as set by Student Life. Votes can be held by secret ballot or other means if requested.

### **Membership**

Membership is open to Park students, staff, faculty, alumni, and friends of those. Certain benefits may be claimed only per people who pay the activities fee.

### **Finances**

No set funds are needed as of now, but the Guild can request funds to be handled by the treasurer.

## **Meetings**

Roleplaying meetings will be once a week as time/space/weather provides. Tentatively Friday night in the Meetin' House.

Business meetings will be asynchronous via the discord server as needed, with urgent items happening before the roleplaying.

Notifications will be in the discord and Guild page in MyPark.

All members are eligible to vote and can do a proxy vote the person requests.

No quorum is needed if proper notice and no objection

## **Amendments to the Constitution and Bylaws**

Constitution and bylaws can be amended by a majority vote at a meeting.

## **Ratification**

Majority vote

## **Parliamentary Procedure**

Simple Majority vote with if there are problems Robert's rules of order can be invoked.

## **Advisor (optional)**

The current Advisor is Wade Tripp from Information Technology Services.

## **Affiliations**

As of now, no affiliations
