College Belonging: How First Year & First-Generation Students Navigate Campus Life

Following Dr. Lisa Nunn's keynote at the fifth annual Virtual Academic Conference, held this month, there was a general consensus to keep the great conversation going about how to foster belonging at Park! So we hope you can join the Spring Faculty Book Club (which begins TODAY at noon CST!).

And even better news....This book is available for **FREE** electronically via Park's Library and can be accessed at this link [*College Belonging: How First-Year and First-Generation Students Navigate Campus Life \(2021\).*](#)
